GMAIL
CTRL + E

A screenshot of a Gmail signature editor. The window title is "Firma HTML a GMAIL". The email address "Xavi Martí (iesjoanramis.org)" is shown at the top. Below it, the text "Firma HTML a GMAIL" is displayed. A placeholder text "Aqui teniu la vostra pròpia firma..." is followed by a horizontal line. The signature itself features a cartoon image of Mickey Mouse on the left. To the right of the image, the name "Xavi Martí" is bolded, followed by the phone number "663 222 732" and the email address "iesjoanramis.org" in blue. Below the text are icons for Instagram and LinkedIn. At the bottom, a rich text editor toolbar is visible, showing options for undo, redo, font face (Sans Serif), font size, bold, italic, underline, text color, background color, bulleted list, numbered list, decrease indent, and increase indent. The "Envia" button is on the far left, and a settings menu and trash icon are on the far right.
